CUSTOMER APPROVAL OF DIGITAL PROOF

This digital colour proof is a faithful representation of ONLY the CMYK contents of this job. Whilst every effort has been made to ensure the accuracy of this artwork, the client accepts full responsibility for final checking and approval to confirm it is correct. Once signed off by the Client M&H Plastics cannot accept responsibility for incorrect artwork.
If you are happy to approve it then please sign the customer approval section on **both** colour proofs, retain one for your records and return the other to your M&H Plastics Sales Representative by return of post. Any delay in returning the approved proof may lead to a delay in your Delivery date. Spot colours have been / will be approved separately as printed samples.

Deet
34% CREAM
contains 0.1% Pyrethrum

Personal insect repellent
Protects the skin for up to 8 hours against mosquitoes, ticks and other biting insects

Please read application, precaution and warning before use.

APPLICATION: When applying directly onto skin, use sufficient quantities to cover exposed areas. Rub in well. To put repellent on face and neck, dispense a small amount on to your palm and rub on. Avoid contact with sunburnt or damaged skin. Keep the repellent away from eyes and mouth. A single application per day should be sufficient, however you will need to use repellent more often in area of high humidity or when personal perspiration reapply repellent after swimming or showering

PRECAUTIONS: Do not apply to eyes or mouth. Avoid contact with syntehci substances and plastics, e.g. spectacle frames and luggage. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If skin irritation occurs: Get medical advice/attention. If eye irritation persists: Get medical advice/attention. Collect spillage. Dispose of contents/container in accordance with national regulations.

WARNING:
Causes skin irritation.
Causes serious eye irritation.
Harmful to aquatic life with long lasting effects.
